

Contribution Towards Environment Protection

Whether rain water harvesting has been done in the campus?*

Whether segregation of waste at source, recycling of organic waste, proper disposal of waste including electronic waste has been done?*

Whether school is using energy saving and energy efficient electrical equipment?*

Whether plantation/gardening has been done in and around campus?*

Whether school is using solar energy?*

Whether school is promoting awareness amongst children and parents on environmental conservation and cleanliness?*

*The annual report of the school must contain a write up on all efforts made in this regard every year.
